The Banking, Financial Services and Insurance (BFSI) offered the largest number of internships followed by Manufacturing/Engineering/Energy sector.

The largest number of internship roles were in Sales & Marketing function followed by Finance.

Company operating in the Fintech (Financial Technology) sector offered internships to students who will have the opportunity to understand the fast emerging technologies reshaping the future of financial services.

The campus played host to two international companies. These companies recruited 9 students who will have a unique opportunity to intern outside the country.

The institute proactively supports and encourages entrepreneurship and hence, is supporting 8 students to work on their B-plan as a part of internship program. As a part of this the students will be supported by the institute and corporate mentors throughout the process. Besides, the students will also be offered stipend of Rs.10000 per month by the institute.

Indian Placement Reporting Standards (IPRS) endeavors to provide transparency and authenticity in the reporting of placement related information across B-Schools through standardized and audited placement reports. IIM Udaipur is the third IIM in India to be a signatory to the IPRS and this report has been audited by an external legal entity.
