Re: Audit of the Placement Report of the 2011-13 Post Graduate Diploma in Management (PGDM) programme

We have audited the Placement Report prepared by you for the final placements of students of the 2011-13 batch of the Post Graduate Diploma in Management (PGDM) programme of SP Jain Institute of Management and Research (SPJIMR), Mumbai. The Placement Report is the responsibility of SPJIMR. CRISIL's responsibility is to validate the information provided in the report with the relevant documentation, and comment on the Placement Report's conformance with the Indian Placement Reporting Standards (IPRS) version 2.1.

In this context, CRISIL confirms the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary. In our opinion, the Placement Report complies with the Indian Placement Reporting Standards version 2.1.
2. The validation of information presented in the report is based on communication received by SPJIMR from recruiting companies and students. CRISIL has not independently sourced any information or documentation.
3. We have verified the information with respect to remuneration, job function and location presented in the report with communication received from recruiters. Information regarding compensation received from individual students has not been used.
 - a. Where offer letters or other recruiter communication was not available, the report considers the record as "To Be Decided". We have not been able to verify the status of such students since there is no record.
 - b. The information has been categorized as best as possible under different salary heads as given in the IPRS version 2.1: where a break-up was not available, the salary has been considered only as 'Maximum earning potential'.
 - c. Data was not available for two students who sought placements through the institute.
 - d. 20 out of the 57 pre-placement offers awarded and accepted have been verified.
4. The number of students opting out of the placement process has been established through written communication but has not been signed by the students.

Thank you,

Best regards,
